PETITION FOR REVIEW

Pursuant to Clean Air Act § 307(b)(1), 42 U.S.C. § 7607(b)(1), and Fed. R. App. P. 15(a), WildEarth Guardians, Medical Advocates For Healthy Air, Center for Biological Diversity, Physicians for Social Responsibility – Los Angeles, Citizens for Clean Air (a project of Alaska Community Action on Toxics), and Sierra Club (“Petitioners”) hereby petition the Court for review of the final action taken by respondent United States Environmental Protection Agency at 79 Fed. Reg. 31566 (June 2, 2014), entitled “Identification of Nonattainment Classification and Deadlines for Submission of State Implementation Plan (SIP) Provisions for

the 1997 Fine Particulate Matter (PM_{2.5}) National Ambient Air Quality Standard (NAAQS) and 2006 PM_{2.5} NAAQS.”

Respectfully submitted this 31st day of July, 2014.

RULE 26.1 CORPORATE DISCLOSURE STATEMENT OF PETITIONERS

Pursuant to Fed. R. App. P. 26.1 and D.C. Circuit Rule 26.1, Petitioners make the following disclosures:

WildEarth Guardians. WildEarth Guardians has no parent companies, and no publicly held company has a 10% or greater ownership interest in the organization.

WildEarth Guardians, a corporation organized and existing under the laws of the State of New Mexico, is a nonprofit organization dedicated to protecting and restoring the wildlife, wild places, wild rivers, and health of the American West

Medical Advocates for Healthy Air. Medical Advocates for Healthy Air has no parent companies, and no publicly held company has a 10% or greater ownership interest in Medical Advocates for Healthy Air.

Medical Advocates for Healthy Air is a California nonprofit organization consisting of medical professionals living in the San Joaquin Valley who regularly treat patients suffering from respiratory ailments caused or greatly exacerbated by the unhealthy levels of air pollution in the area. Its mission is to advocate for the expeditious attainment of state and federal health-based air quality standards in the San Joaquin Valley.

Center for Biological Diversity. The Center for Biological Diversity has no parent companies, and no publicly held company has a 10% or greater ownership interest in the organization.

The Center for Biological Diversity (“Center”), a corporation organized and existing under the laws of the State of California, is a national nonprofit conservation organization that has offices across the United States, including in Alaska and California. The Center has more than 775,000 members and supporters dedicated to the preservation, protection, and restoration of biodiversity and ecosystems throughout the world. The Center works to insure the long-term health and viability of animal and plant species across the United States and elsewhere, and to protect the habitat these species need to survive. The Center has also

worked to achieve full implementation of the Clean Air Act to protect ecosystems and the environment.

Physicians for Social Responsibility – Los Angeles. Physicians for Social Responsibility – Los Angeles has no parent companies, and no publicly held company has a 10% or greater ownership interest in the organization.

Physicians for Social Responsibility – Los Angeles, a corporation organized and existing under the laws of the State of California, is a California nonprofit organization dedicated to advocating for policies and practices that improve public health, eliminate environmental threats, and address health inequalities.

Citizens for Clean Air (a project of Alaska Community Action on Toxics). Alaska Community Action on Toxics has no parent companies, and no publicly held company has a 10% or greater ownership interest in the organization.

Citizens for Clean Air is a coalition of local community members and citizens groups in Fairbanks, Alaska who are committed to cleaning up the air while keeping everyone warm in the winter. Citizens for Clean Air is a project of Alaska Community Action on Toxics, a non-profit environmental health research and advocacy organization organized and existing under the laws of the State of Alaska, whose mission is to assure justice by advocating for environmental and community health.

Sierra Club. Sierra Club has no parent companies, and no publicly held company has a 10% or greater ownership interest in Sierra Club.

Sierra Club, a corporation organized and existing under the laws of the State of California, is a national nonprofit organization of approximately 625,000 members, roughly 147,000 of whom live in California. The Sierra Club is dedicated to exploring, enjoying, and protecting the wild places of the earth; to practicing and promoting the responsible use of the earth's ecosystems and resources; to educating and encouraging humanity to protect and restore the quality of the natural and human environment; and to using all lawful means to carry out these objectives.
