

December 6, 2023

The Honorable Michelle Lujan Grisham  
Governor of New Mexico  
490 Old Santa Fe Trail, Room 400  
Santa Fe, NM 87501

Dear Governor Lujan Grisham,

Protect Mexican gray wolves!

Right now, Asha, the young endangered lobo, is running free in New Mexico's Jemez Mountains.

Asha is one of the critically endangered Mexican gray wolves who need the freedom to roam. But unscientific policies prevent lobos from accessing habitat north of Interstate 40. In fact, when Mexican gray wolves are found north of I-40, they are sedated, captured, and relocated.

This is wrong. Wolves need to be wild, and arbitrary boundaries like Interstate 40 make no sense to wolves or to scientific recovery.

Mexican gray wolves need access to the southern Rocky Mountains in order to truly recover.

Sincerely,
